## WORK EXPERIENCE

### Software Developer Pilotfish Digital

02/2020 - 01/2022

1st Floor, The Terrace Building, Lion  
Match Office Park 892 Umgeni Rd,  
Durban, 4001

My career at Pilotfish Digital, I had the pleasure to work at the company as a SharePoint Software Developer. My role consisted of SharePoint Software Development for the company client's website, workflow apps and custom Webpart applications.

Contact: Reece Baptie (Developer) - 071 350 6692 - reecebaptie@gmail.com

### Mobile & Website Application Developer GoalPro Solutions

01/2019 - 12/2019

Durban

As part of my Work Integrated Learning module, I had the opportunity to work with GoalPro Solutions a NPO, with the development of their mobile application and website. My role with the development, involved creating the functionality and UX design of the mobile app and website.

### IT Admin's Assistant Dylan Roofing CC

01/2018 - 01/2019

Durban

I began working at Dylan Roofing CC, assisting the company's IT admin with assigned tasks, using Microsoft Office tools (Word and Excel). I continued my work during my campus days until graduation.
