WORK EXPERIENCE

IT ADMIN'S ASSISTANT

♥ Durban

Dylan Roofing CC

For my high school work experience, I had worked at the company, assisting the company's IT admin with assigned tasks.
Also continued to work at the company during my Campus holidays.

MOBILE & WEBSITE APPLICATION DEVELOPER

GoalPro Solutions

As part of my Work Integrated Learning module, I had the opportunity to work with GoalPro Solutions with the development with their mobile application and website.

My role involved with the development, involved creating the functionality and UX design of the mobile app and website.
